Volume LXXXVII No. 62

In Our 97th Year

Murray, Ky., Saturday Afternoon, March 13, 1976

15¢ Per Copy

2 Sections — 28 Pages

The above photo, believed to be previously unpublished, was taken on Dr. John Carr's 74th birthday, December 13, 1934. The first gift he received that day was a blooming flower from the first grade of the Training School. Presenting the flower to Dr. Carr are, left to right, Rosemary Jeffrey (Mrs. Galen Thurman), Billy Davis, Naomi Lee Whitnell (Mrs. R. T. "Buddy" Hewitt), and Bobs Stewart (Mrs. Harold Hopper). Commemoration Day ceremonies at Murray State University will include the rededication of the newly-remodeled Carr Health Building in honor of Dr. Carr, who died in 1959 at the age of 100 and was twice president of the institution. The photo was supplied to the Murray Ledger & Times by Christine Williams Ratterree.

## Additional Hospital Beds Are Approved

Approval of 38 additional acute-care beds for the Murray-Calloway County Hospital was announced today by Stuart Poston, hospital administrator. Approval of the additional beds, the culmination of about two years planning and work by local officials, was granted by the Kentucky Certificate of Need and Licensure Board.

This approval follows the recent approval by the state Comprehensive Health Planning Council. Poston said that the additional beds would be included in the expansion project already planning for the local hospital and that construction is expected to begin late this summer.

The additional beds will raise the total of acute care beds available at the hospital from 140 to 178. The construction project also includes the demolition of the present convalescent care facility and the addition of 40 long term beds to take the place of those presently in the old hospital building.

The Murray-Calloway County Hospital presently is staffed by the

equivalent of 326 full-time employees and had budgeted for a \$2.4 million payroll for the current fiscal year. Poston predicted that the expansion project, when completed, would necessitate the hiring of approximately 100 additional full-time workers at the local hospital.

The local administrator also said that a study of seven of this region's hospitals, released this week, showed that the average patient cost the Murray-Calloway County Hospital is \$77 per day while the cost in each of the

other hospitals totaled over \$100 per day.

The additional 38 beds will postpone the expected advertisement for bids on the total construction project until early this summer. When the expansion project was approved by the hospital board last summer it was anticipated that it would be ready for advertising for bids by the middle of April.

The expansion project will take approximately two and one-half years for completion.

## Senate Skirts Stand On ERA By Proposing New Amendment

FRANKFORT, Ky. (AP) — After a mammoth tug-of-war lasting much of Kentucky's legislative session, the battle over the Equal Rights Amendment has ended indecisively.

The Senate Friday voted 25-12 to put a proposed amendment on ERA on the November 1977 referendum ballot.

That way, the legislature avoids a stand, and opponents of the move used that fact to denounce the amendment as hypocrisy and subterfuge.

That way, Kentuckians would make it clear how they feel on ERA, and proponents used that argument to thump for the amendment.

That way, the federal amendment which touched off all the furor also would not be affected in any manner. The 1972 legislature ratified the amendment.

More than one senator admitted during almost two hours of debate that he was confused and, strictly speaking, it was hard to tell from the vote whether a legislator was pro or anti-ERA.

Sen. William Sullivan, D-Henderson, definitely anti-ERA, sprang the amendment, apparently as the trump card of adherents who simply did not have the votes to pull their resolution out of committee where it was bottled up.

The method was simple: replace another constitutional amendment—one allowing the state to operate work release programs for convicts—with the ERA version.

LA. Gov. Thelma Stovall commented

### Calloway Board To Meet Monday

The Calloway County Board of Education will meet in a special call meeting, Monday, March 15 at 1:00 p.m. at the Board office. Members will go into Executive Session for the purpose of interviewing applicants for the position of Superintendent of Calloway County Schools.

## Farm Economy Tops \$25 Million Locally

According to the most recent figures available, agriculture remains the leading industry in Calloway County.

According to Kentucky Agricultural Statistics, the Calloway County economy received a shot in the arm amounting to \$25,614,855 during 1974, the most recent figures available.

The figure leaves Calloway County second only to Graves County in the Jackson Purchase area in relations to crop and livestock production.

In burley tobacco, figures show that 220 acres were harvested in Calloway County in 1974, with an average yield of 2,000 pounds and a gross income of \$501,600. Fire cured tobacco showed 1,165 acres harvested, for a gross income of \$1,862,606. Air cured tobacco grossed \$72,900 on 60 acres.

A total of 12,900 acres of corn was harvested, grossing \$3,560,400, while a total of 50,100 acres of soybeans grossed by far the leading cash crop with \$11,174,725.

Wheat brought in a gross income of \$1,350,870, on 11,000 acres, while barley grossed \$4,680, alfalfa, \$73,150, and other hay, \$577,500. Popcorn brought in \$1.2 million, on 4,500 acres.

In livestock production, 11,500 hogs grossed \$1,461,616 in Calloway County. Cattle and calves grossed \$1,749,848, on 25,600 inventory. Fluid milk accounted for a gross income of \$2,224,960.

The totals show \$18,978,431 total income from crops, excluding popcorn, and \$5,436,424 from livestock, for a total county farm income of \$25,614,855.

Farms and acreage represent 26.6 per cent of all real property value in Calloway County. Figures show residential real property in the county amounting to \$114,697,909; farms and acreage of \$54,671,902; and commercial and industrial property amounting to \$34,204,270, for a total real property value of \$203,574,081. Tangible and intangible personal property assessed bring the total of \$285,853,692 in Calloway County.

### 'Magical Moments' To Be On Sunday

The Murray-Calloway County Jaycees will sponsor a benefit show for underprivileged children this Sunday at 3 p.m. at the University School Auditorium.

The show is entitled "Magical Moments" and features Tom Sheppard. Merchants and citizens of Murray and Calloway County have donated tickets for children attending the show. "If you know of anyone we have not contacted, please call any member of the Jaycees," a spokesman said.

after the roll call that "the hypocritical amendment is passed."

It had to have at least three-fifths of the senators in favor, and that margin was easily exceeded.

As it stands now, if the House approves the latest Senate amendment it will go on the November 1977 ballot along with whatever version the House chooses.

Only two proposed amendments may be passed by one general assembly for inclusion in the referendum ballot the following year. The assembly has a dozen proposed amendments to consider.

"This is admittedly a backdoor approach," Sullivan said of his surprising amendment. "But unless we get the issue before the people they may well hold us in disrespect."

### City Planners Meet Tuesday

The Murray Planning Commission will hold a public hearing and will review a final plat application at its regular meeting Tuesday, March 16, at 7:00 p.m. at City Hall.

The public hearing concerns a rezoning request on property owned by Howard Brandon located adjacent to Highway 121 South and Glendale Road.

The plat review concerns property located in Northwood Subdivision on Hwy. 641 North.

Jackson Purchase agricultural income has jumped tremendously since 1969, when it was \$32.6 million. In 1964, figures showed total Purchase ag income of just under \$40 million; in 1969 it was \$54.3 million, but by 1974 it had jumped to \$157.5 million.

The percentage claimed by crops has also jumped since 1969, when crops accounted for only 44 per cent of the total income. In 1974, crops accounted for over 75 per cent of the total farm income, while livestock accounted for 24.8 per cent.

### Strike Continues

## No Specific Results Reported On Meeting

David Dickson, General Manager of Tappan's Murray Operation, said today he regretted that he was not able to report any specific results of the meeting held with the U. A. W. Local 1068 in Washington on Friday, March 11, 1976.

Dickson reported that he had received a telegram from James F. Searce, Acting National Director of the Federal Mediation and Conciliation Service, requesting that the company attend a meeting in Washington to be held under the auspices of the Federal Mediation Service.

In an effort to resolve the lengthy strike and in hopes of getting the plant back into production, company representatives attended the meeting which lasted from 10:00 a.m. to 4:30 p.m. Federal Mediator Phillip Bradley of Nashville and Deputy Assistant Director Donald Doherty of the service's Washington office were present.

Dickson said that it was unfortunate that it appeared, on the surface at least, that no progress had been made. Dickson said that the company would continue to make every effort to cooperate with the Federal Mediation and Conciliation Service in order to resolve the dispute.

The Washington office of the Federal Mediation and Conciliation Service has retained jurisdiction and will be responsible for scheduling any future sessions.

Over 600 workers at the local plant have been idled since the union voted to go on strike in June of last year.

## Cook's Robbery Suspects Transferred To Eddyville

Three suspects in the Wednesday afternoon robbery of Cook's Jewelry here were transferred to the Eddyville Penitentiary following parole revocation hearings held here Friday.

Henry L. Barnett, 35, Van E. Stills, 29, and Clark Jones, Jr., 47, all of Paducah, were arrested by local law enforcement authorities shortly after 5 p.m. Wednesday and charged with first degree armed robbery of the store in Central Shopping Center.

More than \$53,000 worth of stolen rings and watches as well as two handguns and a sawed-off shotgun were

recovered by the arresting officers.

Calloway County Attorney Sid Easley said that Billy Ray Lovett, assistant supervisor for the First Supervisory District of the Probation and Parole Division of the Bureau of Corrections of the Kentucky Justice Department, conducted the hearings on whether parole for the trio should be revoked.

All three are being held on \$100,000 bond and a date for a preliminary hearing has not been set at this time. If a preliminary hearing is not requested, Easley said, the case will go before the May term of the Calloway County Grand Jury.

## Forum On Citizens' Concerns Set Locally

The National Congress on Volunteerism and Citizenship, 1976, a vehicle for the expression and resolution of citizen concerns through voluntary action will hold a Local Forum in Calloway County on Wednesday, March 24, at 1:15 p.m. at the Murray State University Student Union Building, Rooms 3 and 4. Citizens wishing to speak out on local and national problems are urged to attend the meeting.

The National Congress is officially recognized by the American Bicentennial Administration and is funded by a grant from the W. K. Kellogg Foundation. The congress begins with local forums which will discuss issues and concerns within their communities and consider ways in which they, as citizen volunteers, can solve them.

The agenda developed from these

local forums will be scheduled later this summer. Through statewide caucuses delegates to the National Congress will formulate final resolutions and recommendations which will be sent to appropriate government officials, agencies, and national voluntary organizations.

By identifying local needs, it is also felt that more unity and less duplication of actions can better serve the community. Each and every individual and the leadership of all organizations is encouraged to attend and voice an opinion, a spokesman said.

Sponsoring organizations are the Calloway County Case Conference, the American Red Cross, the Office of the County Judge, and the Murray State University Personal Enrichment Center. For further information call 753-1421 or 753-5362.

### Cloudy And Cooler

Partly cloudy Sunday and Monday. Highs Sunday in the low to mid 40s. Winds northerly to 20 miles an hour. Chance of rain 10 per cent through the period.

RED CROSS VOLUNTEERS — Red Cross volunteers include University Chairman Rex Alexander; Jamie Frank of Alpha Omicron Pi Sorority, which, in conjunction with Lambda Chi Alpha fraternity will conduct a roadblock for Red Cross donations; Pete Waldrop, general chairman; and Cheryl Harmon and Sherry Vaughn, DECA volunteers from the Murray Vocational School who typed the pledge cards for the drive.

MURRAY'S FIRST HONORED — Kentucky Commissioner of Agriculture Tom Harris, Center, in Murray Thursday to address the Rotary Club, presented Service to Agriculture Citations to E. B. Howton, left, retired chairman of the Department of Agriculture at Murray State University, and former Mayor Holmes Ellis, both members of the club. In making the presentations, Harris revealed that the two Murray men were the first so honored by his office since he became commissioner in early January.

# Births

**BUZY BOY**  
Mr. and Mrs. Mike Bucy of Murray Route Eight are the parents of a baby boy, Michael Jason, weighing eight pounds 13 1/2 ounces, born on Thursday, March 4, at 6:56 a.m. at the Murray-Calloway County Hospital.

The father is employed at Kentucky Lake Oil Company. Grandparents are Mr. and Mrs. Thomas Bucy of Bowling Green and Mr. and Mrs. Cantrell Jones of 1701 Ryan Avenue, Murray.

**JONES GIRL**  
Lidia Cheryl is the name chosen by Mr. and Mrs. Lester C. Jones, 1503 Porter Court, Paris, Tenn., for their baby girl, weighing seven pounds five ounces, born on Sunday, February 22, at the Murray-Calloway County Hospital.

**STORY BOY**  
Mr. and Mrs. Ralph F. Story, 101 College Court, Murray, are the parents of a baby boy, David Bradley, weighing nine pounds eight ounces, born on Friday, February 20, at 5:10 p.m. at the Murray-Calloway County Hospital.

The new father is a senior at Murray State University. Grandparents are Mr. and Mrs. J. R. Story of Murray and Mr. and Mrs. Robert Wyatt of Mayfield. Great grandparents are Mr. and Mrs. Festus Story of Murray Route One, Mrs. F. L. Franklin of Milan, Tenn., and Mrs. Raymond Brewer of Mayfield.

**BRAMEL BOY**  
Mr. and Mrs. Johnny Mac Bramel, 205 North Twelfth Street, Murray, announce the birth of a baby boy, Zachary, born on Sunday, February 15, at the Community Hospital, Mayfield.

## Your Individual Horoscope

Frances Drake

FOR SUNDAY, MARCH 14, 1976

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

**ARIES** (Mar. 21 to Apr. 20)

Sow the seeds of good will and cooperation to assure greater happiness for all. You are being observed, can be a potent influence.

**TAURUS** (Apr. 21 to May 21)

Take unusual situations in a philosophical way and whatever surprises there are will show their advantageous side quickly. Only the pessimist sees the gloomy side.

**GEMINI** (May 22 to June 21)

This day should turn out satisfactorily if you are master of your emotions under all circumstances. Especially favored: social activities, outdoor interests, community affairs.

**CANCER** (June 22 to July 23)

You may have to make some concessions in a family matter, but the end results will be well worthwhile. Expect some good news in the p.m.

**LEO** (July 24 to Aug. 23)

Do not lower your dignity by using forceful measures to attain your aims. You will accomplish more through tact, graciousness.

**VIRGO** (Aug. 24 to Sept. 23)

As with Leo, ruling with a heavy hand could send you and your undertakings down the wrong street. There's little satisfaction in rifts, proving points at another's expense.

**LIBRA** (Sept. 24 to Oct. 23)

You should feel highly optimistic now. Help lift the morale of others and you'll give yourself a boost at the same

time. Some interesting news possible.

**SCORPIO** (Oct. 24 to Nov. 23)

A day of mixed influences. You can hold your own through thoughtful management, with a dash of imagination.

**SAGITTARIUS** (Nov. 24 to Dec. 21)

Admonitions for this day: DO not complicate situations which are involved enough already, and DO be careful not to antagonize others.

**CAPRICORN** (Dec. 22 to Jan. 20)

What is significant to you may not be to others, so be careful how you express your views and don't PRESS for results.

**AQUARIUS** (Jan. 21 to Feb. 19)

Don't blow up trifles beyond all proportion, and DO be careful not to misjudge others. You could get the wrong angle on their doings through your own misinterpretations.

**PISCES** (Feb. 20 to Mar. 20)

You may trip over little matters if not watchful. Have patience and the "vagueness" or seeming inconsistency of things will clear. Manage tactfully.

**YOU BORN TODAY** are

blessed with a lively imagination, a fine intellect and an unusual sensitivity to the needs of your fellowmen. You are extremely patient when carrying out long and difficult tasks; are exceptionally versatile and have a great love of beauty. Under all these circumstances, you have less confidence in yourself than you should. Give yourself a pep talk occasionally. After all, the Piscean can accomplish anything to which he really sets his mind. Birthdate of: Johann Strauss, composer; Albert Einstein, physicist.

## Your Individual Horoscope

Frances Drake

FOR MONDAY, MARCH 15, 1976

Look in the section in which your birthday comes and find what your outlook is, according to the stars.

**ARIES** (Mar. 21 to Apr. 20)

If you feel you are growing stale in the idea department, browse about in new areas of information. Hold discussions with those of similar interests.

**TAURUS** (Apr. 21 to May 21)

Pause to appraise offerings. Decide cautiously, but not fearfully, whether you should stand toe-to-toe with the competition or circumvent it by a clever maneuver.

**GEMINI** (May 22 to June 21)

In dealings with others, be sure to note their reactions. The right word at the right time could be a big factor in putting over ideas.

**CANCER** (June 22 to July 23)

Teamwork will be important during this period, so make it a point to associate and work with those whose interests and aims are similar to your own.

**LEO** (July 24 to Aug. 23)

By going along with your associates, you can further your own plans as well. As with Cancer, it's a day when teamwork will pay satisfying dividends.

**VIRGO** (Aug. 24 to Sept. 23)

You can make this a bright day by capitalizing on your outgoing and pleasing personality. Use your versatility and ingenuity in revitalizing, firming things up.

**LIBRA** (Sept. 24 to Oct. 23)

Stellar influences excellent! Especially favored: artistic pursuits, home and family concerns, romance and social activities.

SCORPIO (Oct. 24 to Nov. 23)

Avoid extremes and don't misjudge others' intentions or actions. Work may seem strenuous, persons about you difficult to get along with, but you CAN cope.

**SAGITTARIUS** (Nov. 24 to Dec. 21)

Frustration CAN be avoided; so can indecision and lack of faith in your own talents. Meet with others to talk over mutual problems and possible opposition.

**CAPRICORN** (Dec. 22 to Jan. 20)

Don't make decisions while under stress, and don't write anything you may later regret. Maintain your equanimity even if dealing with persons who annoy you.

**AQUARIUS** (Jan. 21 to Feb. 19)

Avoid tendencies to procrastinate: Handle all matters in the order of their importance and, under pressure, stress the Aquarian's innate ingenuity and sense of humor.

**PISCES** (Feb. 20 to Mar. 20)

A fine day for personality development and general advancement. Don't veer off on tangents, however, or good effort will be wasted.

**YOU BORN TODAY** are

endowed with a gregarious nature, a good mind and great versatility. You can cope with the most complex situations in a highly competent manner yet, with all this, you tend, at times, to lose confidence in yourself, to worry too much about what others think of your efforts. These tendencies can lead to defeatism, so try to curb them. When at your optimistic best, NOTHING can stop your climb to success. Birthdate of: Andrew Jackson, 7th Pres., U.S.A.; Harry James, jazz musician.

## To Marry In May

Miss Jill Craig

Mrs. Robert Ross Craig of 1710 Audubon Drive, Murray, announces the engagement and approaching marriage of her daughter, Neva Jill, to Daniel K. Guy, son of Lt. Colonel Carroll Wilson Guy, United States Air Force, Retired, and Mrs. Guy of Murray Route Six. Miss Craig is also the daughter of the late Mr. Craig.

The bride-elect was graduated from Murray State University in December with a Bachelor of Science Degree in Nursing where she was a member of Alpha Omicron Pi social sorority. Miss Craig is presently employed at the Murray-Calloway County Hospital. The bride-elect is the granddaughter of Mrs. Hoyt Craig of Hazel and Mrs. Roy Bowen of Paris, Tenn.

Mr. Guy will receive his Bachelor of Science Degree in Biology from Murray State University in May, where he is a member of Sigma Chi social fraternity. Mr. Guy is the grandson of Mr. and Mrs. Ernest R. Mount of Schenectady, New York, and J. P. Turner of Sun City, Arizona.

The wedding will take place on Saturday, May 15, at four p.m. at Mason's Chapel United Methodist Church, Hazel. A reception will follow at the Murray Woman's Club House. Out of town invitations will be sent and all friends and relatives of the couple are invited to attend.

## Extravagant Hosts Never Invited Out

By Abigail Van Buren

DEAR ABBY: What has happened to good manners? My husband and I have a lovely large home, and we love to entertain, but our friends do not know the meaning of the word "reciprocate."

We've had elegant sit-down dinner parties, small brunches, outdoor barbecues, cocktail parties and buffets, but we're never invited to our guests' homes. Why?

We've lived in a number of towns and have always had our invitations reciprocated, but in Los Angeles, it's different.

We enjoy being with people, and we realize that some of them can't afford to entertain the way we do, but we'd be satisfied to accept an invitation for coffee and cake. After all, it's the people, not the refreshments, that make the party.

LEFT OUT IN L.A.

DEAR LEFT OUT: I am not defending those who accept invitations and fail to reciprocate, but I suspect that you entertain so lavishly that your guests feel inadequate to entertain you on the same grand scale and therefore make no effort to entertain you at all. Try having smaller groups for coffee, cake and conversation, and see what happens.

DEAR ABBY: My grandmother belongs to a senior citizens group. She told me that she met a very nice woman at this group who has a grandson she thinks I ought to meet.

Even though I told my grandmother that I can take care of my own social life, she went ahead and gave my telephone number to this woman to give to her grandson. He hasn't called yet, but he might.

Is there any way I can prevent my grandmother from doing this again? I don't think it's right for other people to make MY business their business. I'm 21 and can choose my own friends.

NEEDS NO HELP

DEAR NEEDS: Don't make a federal case out of it. If someone calls as a result of your grandmother's "help" and you don't want to meet him, tell him you're not available. Unless you're already involved with someone, why not meet him for coffee? You could be passing up a gem.

DEAR ABBY: Over the years many of our neighbors have gotten married, and on every wedding invitation it says, "No children."

We kids who are not invited are very disgusted. We need to have fun, too.

What do you think of those people? We think they are very unfair, and we hope you will print this so they will see it and invite us next time.

DISGUSTED IN PENNA.

DEAR DISGUSTED: Children are sometimes excluded from weddings and receptions to keep the cost and/or the noise down. Also, some receptions are held when children should be in bed. Since most weddings are the stuff of which beautiful memories are made, it's unfortunate that more children can't witness them.

For Abby's booklet, "How to Have a Lovely Wedding," send \$1 to Abigail Van Buren, 132 Lasky Dr., Beverly Hills, Calif. 90212. Please enclose a long, self-addressed, stamped (26¢) envelope.

## Washer

There's more than one way to skin a cat, as the saying goes. And there's more than one way to get a clean wash as you conserve electricity. Here's how.

1. Wash full loads without packing. Electricity is saved because washer and hot water are used less often.
2. If you must wash a small load (like special fabrics), select the water level to fit the load.
3. Use warm and cold water whenever possible to cut down on the energy needed to heat water.

## Dryer

Help your electric dryer on washday by following these tips.

1. Don't overload. This makes your dryer work harder and longer.
2. Clean lint filter after each load. This helps clothes dry faster.
3. Don't overdry. It sets wrinkles and wastes electricity.
4. To reduce the air conditioner's workload and prevent moisture damage to walls and ceiling, vent the dryer's heat, lint, and moisture to the outside.

## Margaret Trevathan Speaker For Local Unit Of Retired Employees

The local unit of the National Association of Retired Federal Employees was held in the Chamber of Commerce Executive Room on Friday, February 27, at 9:30 a. m. with C. O. Bon-

durant, president, presiding, and Kenneth Grogan giving the invocation.

Mrs. Margaret Trevathan, Public Librarian, was the guest speaker and gave an outline of the local library program which includes a daily story hour, a talking book program for people with a reading or disabling handicap, a bookmobile service, and an information bureau that covers a number of things.

The speaker also said that the library was one of the best equipped in the country and that over six thousand books were signed for each month and an average of five hundred visitors every day.

Max Hurt introduced the speaker. O. C. McLeMore, member, urged each one to support the library program and to cooperate with Mrs. Trevathan and her staff.

At the business meeting James M. Phipps, District Deputy of Area I from Mayfield was a guest. He said legislation had been presented in Congress for the benefit of the members.

Members attending were Van Valentine, C. O. Bon-durant, G. T. Hicks, Max Hurt, L. F. Begley, Gene Tarry, Curtis Palmer, Norman Klapp, Kenneth Grogan, L. E. McSwain, Richard Cullom, Joel Crawford, Preston Perry, E. B. Allbritton, James M. Phipps, and Mrs. Gussie Adams.

The next meeting will be on Friday, March 26, at 11:30 a. m. at the Colonial House Smorgasbord. This will be a luncheon meeting for members and guests.

### Oaks Women Plan Bridge

The women of the Oaks Country Club will play bridge on Wednesday, March 17, at 9:30 a.m. at the club.

Reservations should be made with Beaton Brandon, hostess.

## Local Scene

Down Concord Way...

### Annie Willis Attends Church, 96th Birthday

By Estelle Spiceland  
March 4, 1976

We can't all do like Mrs. Burman Parker did recently, catch a plane for a trip to California to visit. We have to stay, regardless of change.

The highway still is a busy thoroughfare by our little village, otherwise all is quiet and still.

The lake, we suppose, is still an attraction, but no more do we see proud fishermen displaying their catch of croppie to crowds of bystanders on our deserted street, though already there has been one lake tragedy the drowning of Dewey Todd, while fishing.

We are glad that Mrs. Hylan Thompson, in her 90's, is back home from the hospital. Our aged people should be inspirations to those of us who are prone to retire at 65 and consider our life's work done.

A former Concorde, Mrs. Lenore Jones, 89, now living on Nash Drive, is undertaking the care of her sister, Miss Beatrice Locke, 91, who has been hospitalized with a broken hip.

Miss Annie Willis of Riley Court celebrated her 96th birthday by attending church Sunday and Sunday evening as she has after several hospitalizations.

Senior Citizens enjoy many entertainments, but Mr. and Mrs. Oury Loyins made Miss Annie's 96th birthday perfect by taking her riding that beautiful day to places she longed to see. She visited once more the old cemeteries where her loved ones lay. She climbed the old worn path to the dilapidated house which had been home. She visited a few remaining acquaintances.

one wheel chair patient at home, Mrs. Jess Dick. She was given an ideal birthday.

Our sympathy is extended to Mrs. Loman Bailey who broke her hip recently, and to her husband and those upon whom she depends for care.

It is so hard sometime for us to reconcile ourselves to the truth of Ecclesiastes 3: "To everything there is a season." We all get our time for weeping as well as laughing, our time for losing as well as getting. How I enjoy courageous people!

Only since I let sickness and tragedies weigh on my mind, do I understand why my mother went to the old organ and played so often, "O then to the Rock let me fly. To the Rock that is higher than I."

People have many different diversions. One evening after visiting the hospital, I was sleepless, so at 12:30 I turned to Channel 2 and heard a treat.

An organist, Paul Michelson, who had played for Billy Graham's Crusade in New York and London, was with Alfred Garr, pianist, and Wan White or Wyatt, soloist, entertaining by answering telephone requests for old gospel songs.

That PTL program was the "cup of tea" I needed.

### Personals

#### MAYFIELD SPEAKER

Robert Valentine, assistant professor of speech in the Department of Speech and Theatre at Murray State University, spoke on "Myths of the Bicentennial" at the meeting of the Mayfield Rotary Club on March 8.

## COMMUNITY CALENDAR

**Saturday, March 13**

## Judge Aims At Making Eighth Week Of Hearst Trial The Last

SAN FRANCISCO (AP) — With Patricia Hearst slowly recovering from a bout with flu, the judge in her trial for bank robbery has moved ahead on procedural matters aimed at making the trial's eighth week its last.

U.S. Dist. Judge Oliver J. Carter reaffirmed Friday his intention to wrap up the case within seven days and send it to the jury.

With the sequestered jurors given the day off and the ailing Miss Hearst recuperating in her jail cell, Carter kept opposing attorneys in court all day to iron out instructions he will give to the jury when it begins deliberation.

Carter, who once predicted the trial would last three to four weeks, noted the trial has already consumed seven weeks and warned he would not allow

protracted closing statements.

"As my father used to say, no souls are saved after the first 20 minutes," the judge said.

He then allotted each side 3 1/2 hours for closing arguments and suggested that when the testimony is completed, "Oil up your pipes, gentlemen, and have at it."

He announced that he would reserve one entire day for closing arguments — "We'll start at 9 a.m. and run until 5 p.m., or 6, or 7 if we have to."

Court normally is held from 10 a.m. to 4 p.m.

U.S. Atty. James L. Browning Jr. said he would need at least three hours to outline the government's case to the jury.

When Carter, who has complained that the trial has lasted too long, asked defense attorney F. Lee Bailey how much time he would need, Bailey smiled and said, "Only twice in my life have I gone beyond 55 minutes."

The 65-year-old judge sighed wistfully and cracked, "Mr. Bailey, you've already touched a sympathetic spot in my heart."

Carter's timetable, dependent on Miss Hearst's recovery, calls for the closing arguments by Friday at the latest. He has said the government plans another full day of rebuttal, and the defense will have a day to day and a half of rebuttal.

The government has sought to show Miss Hearst was a convert to terrorism and took part in the robbery of a Hibernia Bank branch in 1974 willingly. Her attorneys contend she participated because she feared for her life.

Miss Hearst was reported feeling better Friday "but still feels terrible," said defense attorney Al Johnson.

The 22-year-old newspaper heiress fell ill Thursday. She no longer has a fever, he said, but still coughs a great deal and has "aches and pains all over her body."

## Three Corporate Giants Admit Payoffs To Foreign Countries

WASHINGTON (AP) — Three major American companies, including the giant International Telephone and Telegraph Corp., say they were involved in making payoffs to officials and customers in foreign countries.

The three firms, ITT, General Tire and Rubber Co. and Westinghouse Electric Corp., said internal investigations were made as a result of the disclosure of foreign bribes paid by other large American firms and as a result of probes by the Securities and Exchange Commission.

ITT said it had paid out \$3.8 million to foreign customers or government officials over the past five years.

General Tire said it maintained a secret fund of \$1 million, much of which

was paid to Arab consultants and behind the Iron Curtain.

And Westinghouse reported that a search of its records turned up questionable payments of less than \$300,000 over the past five years, including \$70,000 in 1975.

A fourth firm, Universal Oil Products Co., reported Thursday it had made \$290,000 in questionable overseas payments since 1970.

In a special report prepared for its stockholders, ITT said no laws were broken in the 80 countries where the firm did some \$50 billion worth of business in the five-year period ending in 1975.

"In many areas of the world it is not

unusual and often accepted as normal practice to give presents or make payments of modest value to government functionaries in order to expedite administrative action or secure procedural assistance," the report said.

The company gave no details of the transactions and an ITT spokesman declined to elaborate beyond a two-page statement, which also said \$4,300 was expended in the United States. ITT said these expenditures "could be considered to be direct or indirect contributions to federal election campaigns."

Political contributions by corporations to U.S. federal election campaigns are illegal.

Spencer, Ben Hogancamp, and C. D. Vinson, Jr. Volunteer nursery workers Sunday morning will be Ray Clark, Mike Robertson, Mrs. Charles McDaniel, Mrs. Bobby McDowell, Mrs. Durwood Beatty, Miss Lynn Beatty, Mrs. Alvis Jones, Mrs. T. C. Riley, Mrs. Joe Rexroat, Miss Dana English, Miss Lisa English, and Mr. and Mrs. Charles Holland.

Sunday School will be at 9:30 a. m. G. T. Moody is a minister of education.

Jackie Burkeen, Doug

Bowker as organist and Miss Lisa Winters as pianist, will present special music at both the morning and evening services.

A solo will be sung by Miss Ruth Ann Mills at the morning hour.

The evening sermon topic will be "Revival Begins With the Church" with scripture from II Chronicles 7:14.

Taking the offering on Sunday will be J. D. Rayburn, Orvin Hutson, David Parker, Jackie Burkeen, Doug

Two other men who had gone in with

Asked how long the mine might be sealed, Barrett said, "long enough to have the atmosphere stabilized. Some mines are closed for 90 days and others have been sealed for several years."

He added that he felt the mine would be sealed because it is "too risky to go back in there right now."

Three of the victims of the second blast were MESA inspectors who had gone into the mine to find out what caused the first explosion. The other eight were company employees who had volunteered to shore up a section of roof, weakened Tuesday night.

Two other men who had gone in with

tilating systems are needed to keep it from collecting in explosive quantities.

Federal officials said after the first explosion that the mine was known to have had problems with methane, even though it had a good safety record.

Federal inspectors found three problems with the ventilation system Monday night and reported them to the foreman, who corrected them, according to official inspection reports.

That foreman, James Williams, reentered the mine Thursday and was killed in the second explosion.

The son of another of the victims accused the company of "at least manslaughter" for having men in the mine.

Harvey Sturgill was among the newsmen gathered outside the mine Friday, waiting for word of the fate of the men trapped inside. He is a reporter for the Whitesburg Mountain Eagle, a local weekly newspaper.

"The mine is unsafe," Sturgill said after the deaths — that of his father, James Sturgill, among them — were announced.

"I've talked to several miners, my dad included, who tell me that whenever a federal official comes for inspection...the mines themselves are actually notified beforehand, which is illegal," he said.

"Somehow, they know when the man's going to come and what section he's going to be in. And at that point, they tell the men to go to this section and dress it up...so that when the federal man walks in there, they get a good reading (a low level of methane.)"

Methane is found in many deep mines, officials said. Special ven-

damaged 20 to 30 buildings in Wolf Lake, 12 miles south of Jackson.

A tornado ripped four houses and a house trailer in Farwell Lake, 15 miles south of Jackson, deputies said.

Authorities said the damage in Illinois would probably mount into the millions, and the governor put the state's emergency plan into effect. It provides state police, transportation, disaster agency and Illinois National Guard assistance.

Raul Salascorpus, 25, of Chicago, died at a construction site in Morton Grove, and Charles Gilmore, 35, also of Chicago was crushed to death when high winds blew the concrete wall he was working on over on top of him, authorities said.

Nearly 80 persons were treated at several Chicago area hospitals.

The twister moved along a path from Oswego to the southwest of Chicago on a northwestern course, slashing through several western and northwestern suburbs but missing most of Chicago proper.

The Red Cross set up a shelter at the Leyden Extended Care Center in Leyden Township, equipped with nurses, cots and blankets. No immediate report was available of the number of persons in the center, or on the number of people homeless.

Airport eight minutes before the motorcade passed en route to where Ford was spending the night, three blocks away.

Gov. Daniel Walker asked Ford to declare Cook, DuPage, Kendall and Kane counties a major disaster area.

In Indiana, state police and rescue workers cleared debris and the injured were taken to nearby hospitals. There was no official count of the injured but at least 20 injuries were reported shortly after the twisters struck.

The tornadoes were reported at about 4 p.m. in Demotte, a community of 2,200 in northwest Indiana. Three persons were killed and two others suffered fatal heart attacks when twisters hit their homes, officials said.

Traffic was backed up for more than a mile on Interstate 65 near Lowell, Ind., when tornadoes snatched up two tractor trailers and dropped them on the highway. The drivers were reported uninjured.

In Alabama, authorities said at least seven persons were hurt, two of them seriously, when a tornado touched down near Eclectic, 20 miles north of Montgomery. In all, three twisters were reported in the state, causing an undetermined amount of damage.

In Michigan, the Jackson County Sheriff's Department said a tornado

Martha McKinney, daughter of Mr. and Mrs. John McKinney, Murray, has been chosen to receive a \$200 scholarship and the title of Ideal Freshman Woman at Murray State University. She has maintained a 4.0 grade point average through high school and college. A member of Alpha Omicron Pi sorority and a presidential scholar, she was one of ten youths chosen as "Outstanding Young Kentuckians" by Kentucky Jaycees since coming to Murray State University. Interested in traveling, swimming, skiing, and skating, the 18 year old said "higher education will develop my talents and intellectual ability, thus preparing me for a career and for important contributions to family, community, and society."

## LOOKING BACK

### 10 Years Ago

Miss Leah Caldwell, daughter of Mr. and Mrs. Codie Lee Caldwell of Murray, was presented the special award of the Outstanding Senior Nursing Student in the College of Nursing at the University of Kentucky, Lexington.

About forty or fifty acres of land were burned yesterday near the Ellis Popcorn Company at North Twelfth and Chestnut Streets.

Dr. Gayle E. Cender died yesterday at Royal Oak, Mich.

Pictured today, along with a story, is the permanent home of the Kindergarten of the Sigma Department of the Murray Woman's Club at Robertson School. This has been a department project for eleven years.

Carlisle County beat South Marshall to become champions of the First Regional Basketball Tournament.

### 20 Years Ago

Calloway County will participate in the distribution of surplus food commodities in its needy and dependent families beginning this month, according to Calloway County Judge Waylon Rayburn.

Murray Training School Drama Team won the "C" Division of the Kentucky High School Drama Festival held at the University of Kentucky, Lexington. Students participating were Ann Falwell, Charlene Robinson, Wilma Boyd, and Prudence McKinney with Mrs. C. S. Lowry as director.

Robert Miller, age 86, died March 11.

Dr. Ora K. Mason will be the speaker at the luncheon meeting of the Home Department of the Murray Woman's Club.

Mr. and Mrs. Clyde Edwards of Evansville, Ind., have been the guests of her parents, Mr. and Mrs. J. T. Sammons.

### Bible Thought

When a man's ways please the LORD, he maketh even his enemies be at peace with him. Proverbs 16:7.

The world simply cannot resist him whose purpose it is to serve God! Are we doing all we can for God NOW?

### Let's Stay Well

## Cancer and Food Dye

By F.J.L. Blasingame, M.D.

Should you be very concerned over the recent adverse publicity regarding the use of Red No. 2, a dye long used in many foods which all of us have eaten, in my professional opinion, the whole affair merits little anxiety as regards human cancer.

You may question, as I do, the practice of using such artificial coloring to try to make products more attractive and improve their salability. Most consumers would probably accept foods in their natural colors, especially if the use of dyes carries any risk.

The Food and Drug Administration (FDA) recently reviewed its provisional approval of Red No. 2 because tests of it on rats showed an increase in tumors. These experimental findings

forced FDA action because the law requires that such additives must be "unequivocally safe."

FDA Commissioner Alexander Schmidt stated, "There is no evidence of a public health hazard from any available food or other product made with Red No. 2." Therefore, none of the products containing Red No. 2 are being recalled from the market. However, the dye cannot be used in the manufacture of other products after the final FDA order of prohibition.

A more expensive but different dye, Red No. 40, will be substituted for Red No. 2. It was approved by the FDA in 1971.

Until recently, Red No. 2 has been so widely used that the average consumer could not avoid it in his daily diet. The dye was used in almost all foods and

support hose may delay the enlargement. Rather than delay, I suggest that you see a physician about your enlarged veins and get his professional opinion as to whether they require treatment.

Q Mrs. J. E. expresses her surprise and disgust that a leading toy manufacturer has announced plans to market a new male doll that has a scrotum and penis. She believes that our society is seriously slipping when business promotes such toys.

A It's too bad that this manufacturer cannot think of a doll design that would emphasize the importance of the brain and the importance of using it effectively. Sex appears to be more marketable.

drinks colored red including fruit juices, soft drinks, ice creams, candies, canned fruits, vinegar, dry cereals, sausages, and many bakery products — even medicines (vitamins, and cough syrups) and lipstick.

Though exposure has continued over a long period of time by millions of persons, no evidence of cancer related to ingestion of Red No. 2 has been reported in humans. Therefore, the risk in humans has to be minimal, even if large doses increase tumors in rats.

Q Mrs. H. H. wants to know if enlarged veins on her legs will ever become smaller without treatment.

A Varicose veins gradually enlarge with the passage of time rather than get smaller. Elastic

### SCHOOL LUNCH MENU

Glinda Jeffrey, supervisor, has released the menus for the lunches at the Murray City Schools during the week of March 15-19. They are subject to occasional change. A hamburger line is served daily at Murray High and Murray Middle Schools and bread, butter and milk are served daily at all schools.

The menus are as follows:

Murray High — Monday — pizza, roundabouts, celery sticks, and orange half; Tuesday — beef and gravy, sweet potatoes, mixed vegetables, cranberry sauce, rolls, butter and jelly; Wednesday — spaghetti, tossed salad, cheese wedge, and ice cream; Thursday — beef stew, gelatin, applesauce, and cookie; Friday — fish, beans, slaw, and donut.

Murray Middle — Monday — beef and gravy, sweet potatoes, mixed vegetables, cranberry sauce, and prune cake; Tuesday — ravioli, prunes, lima beans, and donut; Wednesday — hot dog, kraut, pork and beans, and snickerdoodle (cookie); Thursday — sausage, cabbage, corn on cob, corn bread, and ice cream; Friday — pizza, fruit gelatin, buttered potatoes, and cookie.

Carter and Robertson Elementary Schools — Monday — fish, pinto beans, slaw, and cake; Tuesday — spaghetti, tossed salad, apple, and brown bread; Wednesday — beef and gravy, sweet potatoes, green peas, rolls, butter and jelly; Thursday — hamburger, tri-tater, applesauce, and cookie; Friday — pizza, fruit gelatin, green beans, and cookie.

# The Red Cross Is People... Giving Their Time To Help Others

We've come to know them for their help during major disasters. They're first on the scene with medical aid, coffee, or just a sympathetic shoulder to lean on. But little is said for the many other services they perform every day in this community. Like blood banks, nursing programs, volunteer work, water safety and first aid classes, and helping servicemen and their families.

Vicki Miller and her husband Rick were participants in the fall expectant Parents class; shown here is their "diploma" Justin Bradley, 1 month old.

The goal for the 1976 Red Cross Fund Drive is \$11,000.00. One hundred workers will be soliciting for donations. Please join in and help all you can.

Water Safety Instructors Class at Murray State University with Dr. Rex Alexander, Instructor trainer. Forty five students are enrolled in this course.

Office Work

Coordinating all the services is Jean Blankenship, Executive Director. Emergency military service and Veterans claims are processed in the chapter office which is in the court house. Open 8:00-4:00 each weekday.

Twenty one local citizens participated in a standard First Aid Class which was completed March 3. Mary Jane Howard, instructor, watches while Ted Vaughn, Don Cherry, and David Smotherman practice skills.

30 Uniformed Red Cross volunteers work in the Murray-Calloway County Hospital in Mail, Diet, X-Ray, Visitor Information and the Convalescent Ward. Shown are Kathryn Glover, Chairman with Betty Sheppard at the information desk. The Red Cross chapter also furnishes all current magazines to patients and visitors.

# Outdoor Lore

Butch Greer Outdoor Editor

OUTDOOR LORE is a weekly column dedicated to the hunters, fishermen and others who enjoy the rewards of the out of doors.

## Wild Turkey Seminar Tonight At Barkley Lodge

A wild turkey seminar, the first of its kind ever held in the state of Kentucky, will be held at Lake Barkley State Resort Park Saturday, March 13. The seminar will begin with buffet dinner in the Lodge dining room at 6 p.m.

Distinguished speakers including Pete Farrar, president of the National Wild Turkey Federation, will be attending the meeting. Also scheduled to attend are: Harold Knight, Kentucky and Southeast Champion wild turkey caller; George Wright and Joe Bruna, representatives of the Kentucky Department of Fish and Wildlife Resources; Jack Murrey with the Tennessee Wildlife Resources Agency; John Lewis, a biologist with the Missouri Conservation Department; and Tom Rodgers, Executive Vice President of the National Wild Turkey Federation.

Area sportsmen will hear experts discuss such topics as the biology, history, and

management of the wild turkey; current and future plans for management in the state of Kentucky; an explanation of the restoration program in Tennessee; the role of the sportsmen and landowners in turkey management; and "how-to" improve hunting techniques. Also, the trend setting movie "Return of the Wild Turkey" will be shown. Those attending will have the opportunity to question the experts.

Sportsmen and their guests are encouraged to attend the dutch buffet in the Lodge

dining room at 6 p.m. and then adjourn to the multipurpose building where the seminar will begin at 7 p.m.

The seminar is being sponsored by the Kentucky Chapter of the National Wild Turkey Federation, the Kentucky Department of Fish and Wildlife Resources, and TVA's Land Between The Lakes.

For additional information contact TVA, Land Between The Lakes, Golden Pond, Ky. 42231, telephone 502-924-5602.

The Ray Harm turkey print which will be auctioned off at the Seminar at Barkley Lodge.

## Fisherman's Corner

By Ken Dean

Crappie fishing is finally beginning to pick up on Blood River. For the past three years it had declined to almost nothing. Hopefully, it will get better as the crappie run starts, and we can catch some big stringers of ole slabsides.

Wayne Darnell, owner of Darnell Marine, caught 56 nice crappie from the ledges on Blood River. He fished in several places there and caught fish almost everywhere. Other local fishermen have caught some nice crappie out of Kentucky Lake in several of the bays up and down the lake. Some fish are being caught in shallow water in the stick-ups. Minnows seem to be the best bait, but as the water clears and warms up a bit, jigs will produce some big catches of crappie.

Barkley continues to be hot for crappie. Fishermen have caught several slabs over two pounds and have limited out with smaller fish. Bob Alsop Sr. and his son, Bob Jr., caught two limits of crappie

last Saturday. Ronnie Babb took 60 nice fish off the ledges in Crooked Creek and Taylor Bay. Mason Thomas is still catching his share of slabs from Barkley.

Just about everybody who goes out crappie fishing catches some fish. As the crappie run begins, the fish will move into shallow water and can easily be caught with minnows or jigs.

Bass fishing continues to be hot since the fish have moved into shallow water treetops and stumps. Several local bass fishermen have taken limit catches almost every time they go out. Hugh Massey, who is known as "Mr. Bass" in this area, and Stan Sloan caught limits of bass last week end. Stan is the inventor and Manufacturer of the Zorro spinner bait. Also, Robert Lowe Jr. caught a fine limit stringer of bass last Saturday.

When loading and unloading your boat at any of the public

ramps in this area, have your boat ready to launch when you back down to the water. Also, use only half the ramp when loading or unloading so that someone else may load or unload at the same time. This procedure will help cut down congestion in the ramp area.

Don't forget the crappie seminar out at Murray Bait next Saturday. It will be conducted by experienced local fishermen. Several topics will be included: depth finder reading, boat rigging, map reading, fish filleting, tackle use, and other ideas.

Sam Rodgers, well known as one of the finest crappie fishermen in this area, suffered a severe heart attack two weeks ago. He is recovering nicely now after spending a week in the cardiac care unit at the local hospital. He will remain hospitalized for some time, but he is looking forward to the time when he'll again be out on the lakes enjoying his favorite sport—crappie fishing. All his friends wish him a speedy recovery.

Good luck and good fishing.

Dean and Sam Rodgers with 75 crappie taken from Donaldson Creek on Lake Barkley. This catch weighed over 100 pounds and included several nice slabs.

Photo by Murray Bait

Arnold Mitchell (standing) Commissioner of the Kentucky Department of Fish & Wildlife Resources addressed the first District Federation of the League of Kentucky Sportsmen at Camp Curie near Benton, Kentucky last Monday night. Commissioner Mitchell first-handedly gave the department's views on pending legislation which, if passed, would adversely affect the department and eventually the individual hunter and fisherman. One item Mitchell opposed was legislation introduced by Representative Kenneth Ives of Murray which would prohibit the use of the leg hold traps used in the trapping of small game. The department is also opposed to pending legislation which would reduce the department's revenue by approximately \$450,000, a bill which would endanger our reciprocity law and a bill which would allow net fishing beyond the now existing limitations of the tailwaters of a dam.

## TVA, Land Between The Lakes Short Shots From Land Between The Lakes

**Wild Turkey Seminar March 13**

Already more than 200 people have replied to an invitation to participate in the first Wild Turkey Seminar ever held in the state of Kentucky. Distinguished authorities in the fields of wild turkey management and conservation will be speaking at this unique program Saturday night, March 13, at Lake Barkley State Resort Park. The public is cordially invited to attend. Registration will begin at 5 p.m., followed by a Dutch buffet in the Lodge dining room at 6 p.m. The program will be held in the Multipurpose Building starting at 7 p.m. For additional information, write Turkey Seminar, TVA, Land Between The Lakes, Golden Pond, Kentucky 42231, or telephone 502-924-5602.

**National Wildlife Week March 14-20**

National Wildlife Week will be observed throughout the Nation, March 14-20. Activities focusing on the observance at Land Between The Lakes include "Our Feathered Friends," a slide show and discussion of the colorful birds of the season, to be held at Center Station, Sunday, March 14, at 2 p.m., and "Night Visual," a 1½-hour drive searching for wildlife species, beginning at 6:30 p.m., Saturday, March 20.

**Turkey Permits Available**

Turkey hunting permits are available free of charge and can be picked up at the information office at Golden Pond, Center Station, or at the County Court Clerk's Office in Dover, Tennessee. Hunts will be held April 15, 16, 17, 22, 23, 24, 29, 30, and May 1, 1976, in Kentucky; and April 16, 17, 23, 24, 1976, in Tennessee. Hunters in Kentucky must check out by noon; hunting in Tennessee is permitted from sunrise to sunset. Additional information is available from TVA, Land Between The Lakes, Golden Pond, Kentucky 42231, telephone 502-924-5602.

**Satewide Bowfishing Tournament May 7-9**

A statewide bowfishing tournament, sponsored by the Jenny Ridge Bowhunters Club, Balcokly Bowhunters Club, and TVA, will be held May 7-9 at Camp Energy near the Environmental Education Center in Land Between The Lakes. Registration is \$3 per person or \$3.50 for overnight camping. Registration will begin at 8 a.m., Friday, May 7. Scoring will be based on length of fish, with categories for both carp and gar. Trophies will be awarded. For additional information write Bowfishing, TVA, Land Between The Lakes, Golden Pond, KY 42231.

**Wilderness Weekend April 9-11**

A weekend of primitive camping and wilderness survival will be held April 9-11 at TVA's Land Between The Lakes. The event will include firemaking, shelter building, travel techniques, and natural foods. To be based at Camp Energy near the Environmental Education Center, the weekend is jointly sponsored by The American Mountain Men and TVA. Pre-registration is requested as the weekend is limited to 30 participants, 18 years of age and older. There will be a \$12 registration fee. Additional information can be obtained by writing Wilderness Weekend, TVA, Land Between The Lakes, Golden Pond, Kentucky 42231.

**Bicentennial Heritage Bicycle Races April 17**

The Bicentennial Heritage Bicycle Races, the fifth such races held at TVA's Land Between The Lakes, will be April 17, 1976, rain or shine. The annual event is sponsored

by the Jackson Purchase Wheelmen and TVA, and promoted by Kentucky's Western Waterland. There will be eight classes with trophies and merchandise awarded in each class. For additional information write Bicycle Races, TVA, Land Between The Lakes, Golden Pond, Kentucky 42231.

**Hike Day April 24**

Scout Councils in the region and TVA's Land Between The Lakes will co-sponsor a Hike Day in the south end of the public outdoor recreation area Saturday, April 24. The special event will be held at the 26-mile Fort Henry Hiking Trails System. Registration will be held from 8 a.m. until 6 p.m. For additional information write Hike Day, TVA, Land Between The Lakes, Golden Pond, KY 42231.

**Man Fined \$250 In Theft of Rabbits**

You think the price of pork is high? How about beef? Well, one local man would take you to task because the price of rabbit outdid both the other meats. Rabbit stew became expensive to the culprit when he attempted to steal three rabbits from TVA's Empire Farm last week. In the process of trying to get away with the animals the man was apprehended, charged with theft of Government property, and taken before U.S. District Magistrate John Dixon, who, after receiving a guilty plea from the man, fined him \$250. That averages out to just a little over \$12.50 per pound. And he didn't even get to keep the rabbits.

# HUNT THE WILY GROUNDHOG

A great many bowhunters hunt only during the annual deer season and they put their bows away until a few weeks before the next deer season. These bowhunters are cheating themselves because bowhunting opportunities abound during the so-called "off-season." Good hunting practice is available during the warm months and all that is required of the bowhunter is the desire to keep his hunting skills honed to a fine edge. Bowfishing is only one activity that is available locally. What about the abundant groundhog population?

Bowhunting for groundhogs (or woodchucks) requires all the hunting skill that is demanded of the bowhunter who hunts white-tailed deer in the fall season. Groundhogs are as well equipped for survival in the wild as is the much sought after white-tail. Hogs are really sharp and a true test of the bowhunter's skill.

Calloway county has a good population of the pesky rodents as local farmers will tell you. Groundhogs are herbivores and hunters can

spot them feeding in fields and pastures. Hogs are fond of crops and have beg appetites for tender, young greenery.

The groundhog is quite tough and this fact requires that the bowhunter use the same equipment to hunt him that he would use to hunt deer. Razor sharp arrows are an absolute must for a quick, clean kill on any game and the hog is no exception to the rule. Camouflage clothing is also important because the groundhog has keen eyesight and will spot a bowhunter as quickly as any deer.

Pre-hunt scouting for hogs will help the bowhunter find areas where dens are located. Watch for hogs feeding in the open and for fresh road kills because both instances will prove that a den is nearby. Locating dens and hunting the area around them will turn up more dens and more good sport. Groundhogs can be hunted all day long, but the afternoon hunt should turn out to be the most rewarding time of day.

When hunting an area where you have spotted feeding groundhogs and have found active dens, move slowly and look for the critters to be

almost anywhere, including up in trees.

A pair of binoculars will be a valuable aid in spotting a hog before you spook him or he spots you first.

Once a hog sees you he will proceed with great haste to his den. Here is where the little rascal has a built in failing. Hogs will often react to a whistle and stand up and look back at the hunter. This momentary pause is the time to nail him.

Bowhunting for groundhogs is great fun. Don't expect to take several hogs the first time that you try hunting them because they are not easy. Most of the time you will be lucky to get a couple shots at hogs.

Remember that groundhogs are as difficult to hunt as the white-tailed deer; you have to get in really close for a well placed, razor sharp arrow to do its work.

Bowhunting is truly a year round sport and the bowhunter who takes advantage of off-season hunting opportunities will help himself develop the skills he needs for deer season.

Good-luck and good bowhunting.

## Jenny Ridge Shoot Sunday

The Jenny Ridge Bowhunters Society will hold a shoot at the new Murray-Calloway County Park this Sunday, March 14th beginning at 10 o'clock.

Ten animal targets will be

shot. Bowhunting equipment only! Trophies will be awarded for the first five places.

Why not get that hunting bow down from the rack and come out and shoot!

Fins Foto

The wily groundhog all snug in his den: This is about as close as some of us will get to one of the toughest game animals that a bowhunter can go after. Groundhogs abound in this part of the country and offer good sport for those who are willing to get out and work for it. "Chucks" (as they are sometimes called) are known tree-climbers, so don't forget to look up for these critters!

## Four Wheeling

By Hamp Brooks

### FOUR WHEELING

By the time you read this article the nomination committee for the Twin Lakes Four Wheelers, Inc. will have presented its slate of officers to the club for their consideration and the one month per year allocated to "politicizing" for club office will be in progress. The elections will be held at the April meeting and it is then that the club officers for the next fiscal year will be elected.

Clubs vary in their procedure for selecting officers, and indeed, in many cases it is hard to find someone who even wants to be an officer. This can be a clue to inactivity within an organization.

Having been fortunate enough to be a charter member of the local four wheel drive group some two years ago, I have watched somewhat apprehensively for signs of the troubles that usually creep into such groups and eventually bring about their demise. Happily, this club is going full steam and although there have been "growing pains" on occasion, all appears strong and growing at the present.

The following comments were motivated by some reading in the newsletter from the Phoenix Jeep Club. They are passed on for the benefit of all of you who do belong to some form of club. I trust you may find them to be beneficial. They were given out to the members of the local four wheel drive club at the meeting this week.

THERE ARE AT LEAST TWENTY GOOD WAYS TO KILL AN ORGANIZATION!

1. Don't come to the meetings.

2. But if you do come, make sure you are late and don't let anyone know ahead of time that you will be.

3. If you do attend a meeting, try to find fault with the work of the officers and the committees.

4. Never accept an office, as it is easier to criticize than to do the work.

5. Get sore if you don't get an office; try not to recall the times when you were given responsibilities and did not carry through; threaten to resign.

6. Get sore if you are not appointed to a committee; but, if you are, do not attend the committee meetings.

7. If asked by the president to give your opinion regarding some important matter, tell him you have nothing to say; after the meeting is over tell everyone how things should

have been done.

8. Do nothing more than what is absolutely necessary; but when other members roll up their sleeves and willingly and unselfishly use their ability to help matters along, howl that the organization is being run by a clique.

9. If you receive a notice that your dues are due, don't pay.

10. Keep your eyes open for something wrong, and when you find it, threaten to resign.

11. Every time that you don't get your way, swell up like a wet hen and threaten to resign; also try to get your friends to resign.

12. When you attend a meeting, vote to do something; and then go home and do the opposite.

13. Agree with everything said at the meeting and disagree with it outside.

14. Always "buddy" up with the same few; never go out of your way to make a new member feel at home.

15. If you don't like the way something is done at a meeting, keep your mouth shut and go ahead and vote for it anyway; then when the activity takes place just don't go.

16. Make a suggestion to do something and then get sore if you get appointed to help do it; better still, just don't do it.

17. Always do your best to "break it off" in someone when they speak their opinion; then complain that no one ever speaks up at the meetings except for the same few.

18. Never admit that you could be wrong; even if one of your ideas gets voted down at a meeting keep working to get it done behind the officers' backs.

19. Get a small group of the leaders together and try to do something that the majority of the club membership really does not wish to do.

20. When everything else fails, cuss the officers and just sit back and do absolutely nothing.

If you are a club member and something in this list does not step on your toes, then rest assured that you are an excellent club member or you are not being honest about yourself.

It has been a great delight to have been a member of the Twin Lakes Four Wheelers for the past two years. Having been asked to serve on the nominating committee this past three months has really reminded me of how critical the officers of a club can be to its success. There are so many things that have to be evaluated. I keep remembering the old statement that a

chain is just as strong as its weakest link.

There were many excellent candidates for us to consider in the four wheel drive club and our task has still been most difficult. I shudder to think of having this job in an organization where the main job of the nominating committee is just to find someone who is willing to take an office.

Sitting behind this old typewriter, it seems to me that an officer should be someone who is capable of putting his (or her) club or organization first and himself second. They should accept an office not merely as a title or distinction; but rather with a willingness to serve to the utmost of their ability that group of people who placed their trust in them. They should never forget the fact that an officer is really just a plain old member with an extra job to do.

The real success of any organization depends to a great extent upon the performance of its officers. If you can light a fire with the officers, the smoke will make the members move. On the other hand if the officers put out the fire, the membership will drown in a sea of inactivity.

Changing the subject, summer is almost here and the Twin Lake Four Wheelers are going to help it start.

Get set for a FOUR WHEEL DRIVE PULL at the McCracken County drag strip on Saturday night, March 27. If they don't get that cold white Clarks river bottom dirt packed down good you might even see one get stuck in the middle of the track. There will be six classes; 3500 lb. stock, 5000 lb. stock, 6500 lb. stock, 3500 lb. modified, 5000 lb. modified, and 6500 lb. modified. Prize money will be good. Contact Sonny Hooks or Mark Paschall regarding the rules.

If you can get an Allison V-12 in an army jeep bring it on brother. More on the pull next week.

### HAPPY FOUR WHEELING.

### MURRAY-JAYCEES

P. O. BOX 41 - MURRAY, KENTUCKY 42071

The Murray-Calloway County Jaycees are sponsoring a course in Shooter Education. The Course will be held at the Murray City Park, April 18, 1:00 pm. This course is co-sponsored by the Daisy BB Gun Corporation and the Murray-Calloway County Jaycees are providing the course free of charge to the children of Murray and Calloway County.

The Course is designed for boys and girls, ages 7 to 14. The following form must be completed and signed by each participant's parents or guardian.

Face Tilghman Tonight For Regional Title

# Tigers Rally To Edge Hickman County 54-46

By MIKE BRANDON  
Ledger & Times Sports Writer

Glenn Jackson sat in the stands and as he did, memories came flashing back. "It's almost like it was two years ago," Jackson said. Yes, it certainly was. It was March 8, 1974, and Murray High had defeated Hickman County 43-38 to move into the Regional championship game. The next night, Jackson's last-second jumper gave Murray a 67-65 win over Tilghman and the first trip ever for the Tigers to the State Tournament.

After watching the Tigers defeat Hickman County 54-46 Friday night to move into the championship game, Jackson simply put it this way: "You know, I think we can do it again." He said it as if he were almost a part of the team. And who's to say he isn't? The dream, and that's all it was at one point in the season when the Tigers struggled off to a 2-4 start, is now within hours of becoming a reality.

If the Tigers can just play their style of ball... if they realize Paducah Tilghman, the team they meet in the 8 p. m. title game, is only a basketball team, not a legend of any sorts.

Had it not been for a young sophomore, who was playing on the jayvee team during the first part of the season, the Tigers would have probably lost last night.

But as Glenn Jackson believed the Tigers could do it again, so did 6-2 forward Frank Gilliam. Displaying coolness that a sophomore really shouldn't, Gilliam kept the Tigers in the game during the first half. Then in the third and fourth periods, the usual heroes took up the slack and Murray finally forged ahead.

For only several minutes early in the game did the Tigers lead. At one time, Murray was down by eight points but by intermission, mainly behind the play of Gilliam who had 13 points in the first two periods, the Tigers fought back and tied it up at 29 apiece.

With less than a minute to go in the third period and the Tigers trailing 39-37, one of the turning points came. Using the Miller Mad Dog press, the Tigers forced the Falcons into a 10-second violation. Murray got the ball back and 6-4 senior center Bob Wilder hit a spinning layup to tie the game at 39 apiece and that's the way it stood going into the last quarter.

It seemed Murray could never get ahead in the final stanza. Time and time again, the Tigers tied the game but could not get the upper hand.

Then with 3:08 left in the game, Wilder hit one of two free throws and the Tigers moved into a 44-43 edge.

Then came the other key. Junior guard Brett Harcourt forced a jumpball with Hickman County's David Dixon. Harcourt controlled the tip and Wilder scored on a fast-break to give Murray 46-43 lead.

"We lined up wrong on the tip and allowed them to get a three-on-one fastbreak and that's what killed us," Falcon Coach Dale Ray said.

Indeed, it did kill the Falcons. Raymond Sims hit two free throws with two minutes left and then with 1:22 left, Sims hit two more and by then the lead was up to 50-43 and it was all over but the shouting.

"They were bigger and quicker than we were," Ray said.

"Murray just had too much depth. They were able to run people in and out and we had to stick with the same people. Tim Larkins (6-5 center) got tired late in the game and that really hurt us," Ray added. Larkins had 14 points at halftime and finished with 20.

"It was the press again," Tiger Coach Cary Miller said. "That 10-second call back in the third quarter along with the jump ball where we scored on the fastbreak turned the game around for us."

"Finally, in the last quarter, we began to run our offensive pattern well and were getting the open shots at the free throw line from Harcourt. The ones he didn't hit we managed to rebound and put back in."

"Plus they started a press of their own late in the game when they got down and it backfired on them. Instead of getting the ball, they got fouls. We hit seven of eight free throws in the last quarter."

Free throw shooting was about the only good shooting in the game. Murray hit just 21-59 from the field for a poor .356 while the Falcons hit on 18-49 for a cold .376 clip.

Murray had 38 rebounds while Hickman County had 21. Wilder had 14 caroms for the Tigers.

"Andrea Perry came in the first half and really sparked us, Miller said. "Gilliam definitely kept us

in the game early. Also, Lindsey Hudspeth played exceptional ball, especially on the defensive end, and I thought Wilder controlled the boards well," Miller added.

The Tigers will carry an 18-5 record into the 8 p. m. contest tonight with Tilghman. In an earlier meeting back in December, the Tornado defeated Murray High by nine points.

Murray will be out to get revenge for that one while Tilghman will be out to get revenge from two years ago.

## UCLA To Open Defense Of NCAA Title Tonight

By ALEX SACHARE  
AP Sports Writer

UCLA opens defense of its NCAA basketball championship tonight against San Diego State, and even though the Aztecs were beaten a dozen times during the regular season, UCLA first-year Coach Gene Bartow insists he is not taking them lightly.

"We realize that any team that reaches the NCAA tournament is a fine basketball team," said Bartow, who succeeded John Wooden at the school which has won the national title 10 of the past 12 years. "We know San Diego State is capable of beating us if we don't play well—that is, with intensity and enthusiasm."

The sixth-ranked Bruins, 23-4, are led by second-team All-American Richard Washington, who averaged 20.6 points and nine rebounds per game.

San Diego State, 16-12 in the regular season including a 15-point loss to UCLA, hopes to use aggressive defense to

surprise the Bruins.

"We look to the Oregon win over UCLA as our inspiration," said Ray Leary, the San Diego State playmaker, referring to Oregon's 64-44 upset of UCLA last month which snapped the Bruins' 98-game home-court winning streak. "The Ducks played basically hard-nosed against the Bruins. They moved the ball and played tough, and I think we will, too."

The UCLA-San Diego State match-up in the West Regional, which starts shortly after midnight, EST, is the last of 16 first-round NCAA playoffs games to be played Saturday.

In afternoon games, Princeton played Rutgers and Hofstra met Connecticut in the East Regional; Alabama faced North Carolina, Western Kentucky opposed Marquette, Western Michigan met Virginia Tech and Indiana played St. John's in the Midwest Regional, and Missouri faced Washington and Cincinnati met Notre Dame in the Midwest Regional.

In other games tonight, VMI plays Tennessee and Virginia meets DePaul in the East; Texas Tech opposes Syracuse and Wichita State goes against Michigan in the Midwest, and Pepperdine faces Memphis State, Arizona plays Georgetown and Boise State goes against Nevada-Las Vegas in the West.

Tennessee may be without

the Southeastern Conference's leading scorer, forward Bernard King, who dislocated his left thumb nearly two weeks ago.

Virginia, which stunned three nationally ranked teams on consecutive nights to win the Atlantic Coast Conference playoffs, hopes to continue its late-season surge against DePaul.

## Pace Is Picking Up For Pacers

By The Associated Press

The pace is picking up for the Indiana Pacers.

Just listen in on Coach Bob Leonard's thoughts after the Pacers crushed the San Antonio Spurs 132-115 Friday night.

"I think our shooting was a little bit better. Any time you get 30 assists during a ballgame you're moving the ball real well, and that's what we have to have. Darnell Hillman is really starting to come on now with his rebounding and shooting."

"The last two games we've had 42 and 37 assists. That's what we have to have. Mike Flynn has been playing real well the last few games."

In other American basketball Association games, New York buried Kentucky 124-106 and St. Louis shaded Denver 101-97.

NON-CONTACT SPORT? — Basketball is a non-contact sport, so they say. Here, Bob Wilder (33) and Lindsey Hudspeth (32) of the Tigers mix it up inside with Tony Workman (25) and Tim Larkins (22) of the Falcons. Watching from the sides are Raymond Sims (10) and Frank Gilliam (52) of the Tigers.

## Love And Bulls Drop Decision To KC Kings

By The Associated Press

There's no love lost between the Chicago Bulls and their fans... unless it's Bob Love.

Love, along with the rest of the Bulls, was undoubtedly lost in dropping a 95-73 decision to the Kansas City Kings Friday night. In tennis, love means nothing, and that about sums up Love's latest performance—while the crowd booed him on.

Love, an eight-year regular, shot a perfect 0-for-15 from the floor. He did, however, make one of two free throws, but that didn't come until the final minute.

"This may not have been our worst game in my seven years with the Bulls, but it ranks very close," said Coach Dick Motta.

Elsewhere in the National Basketball Association,

Detroit trounced Milwaukee 117-101, Philadelphia edged Atlanta 109-107, Houston trimmed Buffalo 113-100, New Orleans flattened Portland 110-101 and Los Angeles whipped New York 113-95.

The Kings had six players in double figures against Chicago, led by Nate Archibald's 22. His driving lay-ups and Sam Lacey's domination of the backboards propelled the Kings to a 69-53 third-quarter bulge.

"We took good shots in the first quarter and then we disintegrated," Motta said.

"The way our players were missing shots, it looked like they didn't care, but I know they weren't missing on purpose. My only hope is that they turn it around Saturday night and prove to themselves that they are pros."

# Tilghman Outlasts Scrappy 'Riders To Advance To Finals

By MIKE BRANDON  
Ledge & Times Sports Editor

Coaches are great at making losing teams sound good. You know, they talk about how their team never quit hustling and how their kids never gave up.

Okay. Don Butler did not have much to say after his Symsonia club dropped a 57-47 decision to Paducah Tilghman Friday night in the semifinals of the First Region Tournament before a packed house at the MSU Fieldhouse.

So we'll make up for what Don didn't say.

His team never quit hustling. How about that? Sportswriters sound like coaches don't they?

Symsonia lost the game. They won the hearts of just about everyone in the gymnasium, and there were probably a few Tilghman fans who, though they wouldn't admit, sort of "rooted" for the Rough Riders.

There's an old saying in the sports world that if a team plays 32 minutes of hustling ball, they'll win. Symsonia played 32 minutes of hustling ball. And though the game was really never in doubt, the cinderella Rough Riders won where it counts, the size of the

engine, the heart; that's where they desire comes from.

Symsonia was awed in the first quarter. Big James Greer and company simply intimidated the "Riders. At the end of the first period, Tilghman tornadoed its way to a whopping 19-5 lead.

The second largest lead of the game came after only 11 seconds passed in the second period when Greer hit from eight feet to put the Big Blue out to a 21-5 lead.

From that point on, Symsonia won the game on the scoreboard.

But from "that point on" doesn't count. Sort of like "almost" counts only in horseshoes and washers.

By the end of the first half, the outclassed, outmanned but not outthusted Symsonia club had fought back and trailed only 29-20.

Tilghman led by as much as 16 in the third period before the McManus Brothers, Robert and Mark, hit for two points apiece in the final minute of the third period to make it 42-32 entering the final period.

Greer got his fourth foul with 6:32 left in the game. Just 12 seconds later, junior guard

Delbert Shumpert fouled out. But Greer stayed in the game. Greer finished with 15 points and 16 rebounds, most of the latter surely came in the last period when "Cinderella" almost got back in the game. Down 48-38, the Rough

Riders were outscored 9-0 during a two-minute span and that put the game out of reach. At one point, Tilghman led 57-38.

But as the coaches always say, Symsonia never gave up. They did manage to battle

back and score the last nine points of the game to get the margin back where it really belonged.

Rodney Cash paced the Blue Tornado with 17 points while Greer had 15 and forward Tyrone Goodwin, who played as point guard last year, scored 12.

For the 'Riders, who close the season with 17-10 record, Kenneth Crooks had 18 points while Mark McManus added 10. Sophomore sensation Tim Allred scored eight points and grabbed 15 rebounds.

Sophomore James Whittemore, who pulled off 11 rebounds, added six points.

Tilghman will carry a 23-6 record into their 8 p.m. championship clash tonight against the Murray High Tigers.

TWO MORE — Sophomore forward Frank Gilliam (52) of the Tigers shoots up two of his 15 points over the outstretched arms of Hickman County's Tony Workman.

Tilghman	fg	ft	rb	pt	tp

## 'Breds Set To Open Season At Home With Vandy Tuesday

Murray State's baseball team, defending Ohio Valley Conference champion, will open its season next Tuesday against Vanderbilt on the Murray field. The game will begin at 2:30 p.m.

It will also be the first of a 30-game home stand for the Racers, during which they will play Iowa State (4 games), Southwest Missouri (2), Northwestern (5), Chicago (7), Middle Tennessee (2), North Dakota (8), and Purdue.

Coach Johnny Reagan has much of last year's team back which won 40 games, lost 9, became the first OVC team to

play in the NCAA tournament. Reagan, who has won 9 OVC titles in 18 years at Murray and has one of his best groups of young pitchers ever. He also has a good blend of experienced pitchers to go with the new.

Returning pitchers include right-hander Glen Peterson (5-0 record, 1.29 ERA last year), right-hander Richard Allegretti (4-1, 2.79), right-hander Terry Brown (3-0, 1.47), and lefty Greg Cruse (2-0, 1.1 strikeouts an inning).

Also returning is right-hander Mark Wezet, who missed last season with an injury but had a 3-0 record and a 0.79 ERA two seasons ago. New pitchers are freshmen Andy Rice and Mark Higgins and junior college transfer Mike Roberts.

Racer catching duties will again be handled by Gene Steuber and Mike Cathey. The fleet-footed Steuber is an excellent receiver and handler of pitchers and carries a career batting average of just under .300. Cathey is also a proven college receiver who hits with power.

The Racers should have

another fine infield as they have for years. Three-fourths of last year's combination return and the only spot vacated by graduation. Shortstop, should be well filled by junior college transfer Stan Giesler. In addition to being strong defensively, the infield should supply much of the team's offensive punch. Don Walker, first baseman, hit .364 last year. Second baseman Jack Perconte hit .404 and is one of the most complete players to ever wear a Racer uniform. Third baseman Terry Brown has a career batting average of .342 for his first two seasons at Murray.

Shortstop Giesler also carries a strong career average.

The outfield will be the most experienced at Murray in years. In right will be John Siemanowski, a fine glove man who hit .392 last year as a sophomore. In center will be David Hughes, who hit just under .300 and had 34 RBI's. Leading candidate for left field is Marvin Kiel, who was injured much of last year but who had his batting average up to .271 at the end of the season.

The complete Racer schedule follows: March 16, Vanderbilt, Home; March 19, Iowa State and

Southwest Mo., Home; March 20, Iowa State and Southwest Mo., Home; March 21, Iowa State (2), Home; March 22, Northwestern (2), Home; March 23, Northwestern (2), Home; March 24, Northwestern, Home; March 25, Chicago (2), Home; March 26, Chicago (2), Home; March 27, Middle Tennessee (2), Home; March 28, Chicago (2) Home; March 29, North Dakota (2), Home; March 30, North Dakota and Chicago, Home; March 31, North Dakota (2), Home; April 1, North Dakota (2), Home; April 2, North Dakota and Purdue, Home; April 3, Western Kentucky (2), Western Ky.; April 4, Purdue (2), Home; April 5, Purdue (2), Home; April 7, Austin Peay (2), Austin Peay; April 10, Austin Peay (2), Home; April 13, Vanderbilt, Vanderbilt; April 14, Middle Tennessee (2), Middle Tenn.; April 17, Western Kentucky (2), Home; April 19, Arkansas State (2), Arkansas State; April 26, Missouri (2), Missouri; April 29, Memphis State (2), Memphis State; May 2, Southern Illinois, Home

## Hayes Takes Second Round Lead In Doral

MIAMI (AP) — Mark Hayes, who hasn't been there before, says he believes he's on the verge of winning.

And Jack Nicklaus, who's been there so many times before, promises he'll do better.

"It's a new experience for me," said Hayes after he took the second round lead—the first of his career—Friday with a 68 that put him at 135, nine under par for two trips over the windswept, 7,065-yard Blue Monster Course at the Doral Country Club.

"I won't try to force anything," said Hayes, a 26-year-old who hasn't finished higher than third in his two full years of tour activity. "I'm not going to try to shoot 62 like some of these guys can. I'll just try to play good solid golf and let the birdies come when they do. If it's my week, I'll win."

"It takes a lot to win. It takes a lot of luck and a lot of good ball hitting."

Nicklaus, the defending champion, got to within two strokes of the top spot with a 33 on the front nine, then struggled home with a 71 that included a ball in the water on the tough 18th.

"I got it in position and then couldn't do anything with it. It was just one of those days that I couldn't get myself moving. 'I'll do better tomorrow.'"

He was five strokes off the pace at 140 but noted that "in

almost every tournament you have someone who's hot in the first couple of rounds, and then they cool off."

Hubert Green was one shot out of the lead after a 70—136. Ben Crenshaw, with a second round 71, and Bobby Mitchell, with a 69, followed at 137. Bob Dickson, who has had a pair of 69's, was alone at 138. Grier Jones, 68, and Marty Fleckman, 70 were at 139.

Although a face in the crowd to most golf fans, Hayes has played very well in the last two weeks, putting together finishes of fifth and eighth and actually moving into position to challenge for the titles in both events.

It marked a continuation of his steady progress on the tour—the only life he ever wanted to live. He won \$40,620 and was 68th on the money-winning list in his first full season, 1974, and last year improved to \$49,297 and 47th place. Right now he's 13th with \$27,237 for the year.

Wallin Hdw.  
Paris, Tenn.

Get the jump on your spring lawn and garden chores with a new Case Compact Tractor. You'll be ready to mow your lawn carpet-smooth. You'll be ready to plow, disk, and till in an earth-shattering jiffy. And you'll be ready to add that "final touch" along walks and drives, and around trees and shrubs with this super Pre-Spring Special:

With the purchase of any new Case Compact Tractor, sale priced from \$1450, depending on model you buy, you will receive a model 500 Weed Eater, absolutely free. A regular \$89.50 value, the Weed Eater trims, edges, mows and sweeps with a flexible nylon fishing line. It's the perfect companion for your new Case Compact Tractor. Offer Expires March 31, 1976.

Just look at these Pre-Spring tractor prices!  
Model 118 Price \$995.00 Savings \$254.00  
Model 220 Price \$1450.00 Savings \$300.00

It's a good time to Get Growing with Case. 8-10-12-14-16 hp models to choose from.

**3. Card Of Thanks**

THE FAMILY of Mrs. Cletus (Lois) Ward wishes to express our deep appreciation and thanks to neighbors, friends, and members of the Faith Doran Circle for food, cards, flowers, prayers, and concern shown during the illness and death of Lois Ward. We wish to extend special thanks to Dr. Marquardt, Dr. Binford and the nurses who attended Mrs. Ward on the fourth floor of the Murray Calloway Hospital. We are also grateful to Dr. James A. Fisher and Rev. C. William Hart for their spiritual comfort given to us during our time of sorrow; also to Mr. and Mrs. Roger Burt nephew and wife of Mrs. Ward who sang the songs she requested accompanied by Mrs. Virgil Blankenship at the piano. We appreciate the comforting services of the staff of the Max Churchill Funeral Home. May God's richest blessing rest upon all of you. The Family of Mrs. Lois Ward.

**IF I RELEASE ANYTHING YOU WILL PROMISE TO DANCE TO?**

ANYTHING TO GET OUTA THIS MESS!

**ON TO THE SANDBOWL FESTIVAL!!**

ONE QUESTION!—HOW DO THIS FLY?

WE WOULD like to thank all our friends, neighbors, and relatives who have helped us in every way since our home was destroyed by fire. We have tried to thank everyone personally but so many wonderful people have helped so much; we are afraid we may have neglected to thank someone. A special thanks to those that gave showers, and to the members of the Coldwater Church of Christ, the Bethel Church of Christ and to the Springfield, Tennessee Church of Christ for their help, gifts, and visits. We appreciate what each and everyone has done to help, and we are grateful to so many friends and again we say "thank you." Steve, Dana & Heath Crouch.

## Deaths and Funerals

### Noble Suiter Dies Friday; Funeral Here On Sunday

Noble Suiter of 804 Guthrie, Murray, died Friday at 11:25 a. m. at the Murray-Calloway County Hospital. He was 70 years of age.

The deceased and his wife moved to Murray in 1971 after his retirement as presser for the Curlee Clothing Company at St. Louis, Mo. He was an Army veteran of World War II and a member of the Williams Chapel Church of Christ.

Mr. Suiter was married July 26, 1923, to the former Lola Young, who survives along with one sister, Mrs. Mike (Modelle) Hayden of Mayfield, and one brother, Cody Suiter of Detroit, Mich.

The Murray man was born December, 1905, in Calloway County and was the son of the late John Suiter and Laura Jones Suiter.

Funeral services will be held Sunday at two p. m. at the chapel of the Blalock-Coleman Funeral Home with Bro. Henry Hargis officiating.

Providing the song service will be singers from the Union Grove Church of Christ with Ralph Ray as leader.

Burial will be in the Murray Memorial Gardens. Friends may call at the funeral home.

**Buford Yarbrough Dies Early Today**

Buford Yarbrough 79, died at 1:40 a. m. Saturday at Westview Nursing Home.

His survivors include one son, Gus D. Yarbrough Rt. 5 Murray, one sister, Mrs. Lee Warren (Hope) Fox, Murray, three brother, Chester Yarbrough, Murray, Carman Yarbrough, El Paso Texas, John E. Yarbrough, Baltimore Md, two grandchildren Donnie and Terry Yarbrough, and Lori and Johnny Yarbrough, great-grandchildren. Funeral arrangements are incomplete. Friends may call at Blalock-Coleman after 4:00 p. m. today (Saturday).

### Funeral Is Sunday At Local Chapel For Henry Beaman

Funeral services for Henry Beaman of 910 North 16th Street, Murray, will be held Sunday at two p. m. at the chapel of the Max Churchill Funeral Home with Dr. Bill Whittaker officiating and Mrs. Oneida White playing the organ.

Folsom, Fred Workman, W. T. Downs, Bob Bazzell, Robert Hopkins, Max Beale, Perry Cavitt, and Ben Trevathan. Burial will be in the Murray City Cemetery.

Friends may call at the funeral home.

Mr. Beaman, age 88, died Thursday at 3:55 p. m. at the Murray-Calloway County Hospital. His wife, Mrs. Eula Hale Beaman, died April 13, 1970. He was a member of the First Baptist Church.

Survivors are two daughters, Mrs. Howard Perkins, Clearwater, Fla., and Mrs. Dudley Hughes, Detroit, Mich.; three sons, Harold of Murray, Galen of Houston, Texas, and Victor of St. Louis, Mo.; five sisters, Mrs. Clatus Guthrie, Mrs. Aaron Hopkins, and Mrs. Sula Cathey, Murray, Mrs. Clayton Rogers, Dallas, Texas, and Mrs. Claude Skinner, Plano, Texas; three brothers, Roscoe of Covington, Roy of Memphis, Tenn., and Prentice of Apopka, Fla.; two sisters-in-law, Mrs. Audie Beaman, Detroit, Mich., and Mrs. Lala Beaman, Houston, Texas; nine grandchildren; eleven great grandchildren.

**Dr. Tuttle Will Speak To Nurses**

The regular monthly Community Continuing Nursing Education Meeting, sponsored by the Murray-Calloway County Hospital, will be held Monday, March 15, at 7:30 p. m. in the Hospital Conference Room.

Dr. Charles L. Tuttle will be the guest speaker and his topic will be, "Abortion."

All community and hospital nurses are invited to attend.

### Ron Newberry Will Speak At Church Of Christ Sunday

Ron Newberry will be the speaker at the 10:40 a. m. and six p. m. services on Sunday, March 14, at the Seventh and Poplar Church of Christ. He will also teach the Young Adults' Bible Class this week.

The song service will be directed by Jerry Bolls and the announcements will be by Johnny Bohannon.

Reading the scripture from II Timothy 4:1-4 at the morning service will be Steve Herndon with prayers to be led by Ray Karraker and Leon Adams.

Mike Thomas will read the scripture from John 3:16, 17 at the evening service with Ed Thomas and Max Walker leading in prayers.

Presiding for The Lord's Supper will be Frank Hargis and Newell Hopkins. Ray Karraker, Alan Jones, Gene Paul King, and Bob LaMastus will serve on the Extension Department.

Bible Study will be held at 9:40 a. m.

### Rev. Jerrell White Speaker, Memorial Church On Sunday

Rev. Jerrell White, pastor of the Memorial Baptist Church, will speak at the 10:50 a. m. and 6:30 p. m. services on Sunday, March 14, at the church.

Tommy Wilkins will direct the music with Mrs. Margaret Wilkins as organist and Mrs. Diane Dixon as pianist.

Coffield Vance, deacon of the week, will assist in the morning services.

Sunday School will be at 9:40 a. m. with Tommy Wilkins as director. Church Training will be at 5:30 p. m. with Larry Lyles as director and Willard Alls as guest speaker on "Drug Use Versus Drug Abuse."

A fellowship dinner will be held Wednesday at six p. m. followed by meetings and prayer service at seven p. m. and sanctuary choir rehearsal at eight p. m.

The mission study by the Baptist Women will be held Monday at 6:30 p. m.

### Revival Services Start Sunday At United Methodist Church

The First United Methodist Church has scheduled a number of activities related to revival services which will begin on Sunday, March 14, and continue through Wednesday, March 17.

Dr. Ross Freeman of Macon, Georgia, will be the guest minister for these revival services. He will speak on the theme "Release God-Power In Your Life."

Revival activities will include informal coffee hours on Monday, Tuesday, and Wednesday from 9:30 to 10:30 a. m. in the Social Hall of the church. Coffee and doughnuts will be served preceding the evening services and an informal social hour will follow the services.

The United Methodist Women will co-ordinate these activities which will offer everyone an opportunity to meet with Dr. Freeman in an informal setting.

The revival will begin with the 10:50 a. m. service on Sunday, March 14. On Sunday evening a church wide potluck supper is planned at five p. m. The United Methodist Women will serve as sponsors for the first evening service which begins at seven p. m.

The Monday evening service will be sponsored by the Sunday School with youth ushers and a special children's choir.

Tuesday evening the Methodist Men will sponsor the service and provide a men's choir.

The final revival service on Wednesday, March 17, will be sponsored jointly by the Administrative Board and the Council on Ministries of the church.

The regular church choir will present the special music at this service and at the Sunday services.

The public is invited to attend any and all of these activities, a church spokesman said.

### Learning Center Will Hold Preregistration

The Educational Learning Center will hold preregistration for 1976-77 All Day Kindergarten on Wednesday and Thursday, March 17 and 18, according to Elizabeth Riley, Director.

Registration schedule has been set from one to three p. m. Mrs. Linda Purcell, a certified kindergarten teacher, will be employed.

### Dr. David Roos To Speak At First Christian Church

"The Mystery of Mercy" will be the subject of the sermon by Dr. David Roos at the 10:45 a. m. services on Sunday, March 14, at the first Christian Church (Disciples of Christ), North Fifth Street, Murray.

Special music will be a solo, "The Beatitudes," by Larrie Clark.

Dr. Joe Cartwright will be the worship leader with Mark and Paul Austin as candle lighters. This will be the second Sunday in Lent.

Elders serving will be John Pasco and Frank Wainscott. Deacons will be Norman Hale, Glenn Card, Fred McCord, Leon Smith, Auburn Wells, and Lenel Yates.

Greeters will be Mr. and Mrs. Walt Apperson and Mr. and Mrs. Lyle Underwood.

Sunday School will be at 9:30 a. m. The Junior Choir will meet at 5:30 p. m. with supper at six p. m. and meeting at 6:30 p. m. of the God Squad.

The Elders will meet Sunday at 6:30 p. m. and the Church board will meet at seven p. m. in the church library.

### New Providence Church Plans For Gospel Meeting Monday

Regular worship services will be conducted Sunday at the New Providence Church of Christ. Bible Study periods will be at 10:00 a. m. and 5:30 p. m., with classes for all ages at both periods.

At the morning worship service, Bro. Ed Casteel, church minister, will speak on the subject, "How To Get The Most Out of Worship" (John 4:24). During the evening service, Bro. Casteel will discuss, "Reasons for Serving God." (I Peter 4:1-6).

Beginning Monday evening and running through Saturday evening the New Providence Church of Christ will be engaged in a gospel meeting. A different speaker will be presenting the lesson each evening.

The speakers are: Monday, Jim Canter, Blood River Church of Christ; Tuesday, Ewing Stubblefield, Puryear Church of Christ; Wednesday, Ed Casteel; Thursday, Don Hall, Walnut Grove Church of Christ; Friday, Walter Pigg, Hickory Grove Church of Christ; Saturday, Ed Davis, New Concord Church of Christ.

During the meeting, Thursday is scheduled as "Youth Night." "We are encouraging all young people to come and hear Bro. Hall speak on the subject 'God's Law of Sex,' Bro. Casteel said.

Services during the meeting will be at 7:00 p. m. each evening, and a staffed nursery will be provided.

### Rev. Davenport To Speak At Church

Rev. Stephen Davenport will conduct the Morning Prayer services at St. John's Episcopal Church, Main and Broach Streets, on Sunday, March 14, at 10:30 a. m.

Acolytes will be David Stripling, Ed Harcourt, and Robert Whitmer. Mrs. Leonard Whitmer is organist.

The congregational meeting will be held at 11:15 a. m. Sunday.

Church School and Adult Class will be held Sunday at 9:15 a. m.

Barbara and Missy George will be in charge of the nursery.
